

CONTACT FORM

A substantial portion of our homeowners' contact database was lost due to a computer crash that stored the email addresses of Eagle Harbor's residents and property owners.

Important and vital information affecting and impacting residents and property owners is transmitted through multiple channels, including email, U.S. mail, text messaging, and phone calls. Staying up to date ensures residents and homeowners can make well-informed decisions about matters that impact our community.

With the upcoming **Eagle Harbor Election on August 9, 2025**, it is especially important that we have your current contact information on file.

If you are interested in voting in the upcoming election, please complete the form below, and return it to the Town of Eagle Harbor in the prepaid, addressed envelope by **June 30, 2025**. Use the second page of this form to provide this information for every resident and homeowner at the property.
